

TURN YOUR DIPLOMA INTO A DEGREE AT ROBERT GORDON UNIVERSITY, SCOTLAND

If you are about to complete your college diploma/associate degree in Canada and are looking for an exciting opportunity to continue your education by obtaining a Bachelor degree - why not consider Robert Gordon University in Aberdeen, Scotland!

ABOUT ROBERT GORDON UNIVERSITY

We are delighted to introduce Robert Gordon University (RGU) to you. The University is home to a vibrant community of 14,000 students from 132 different countries.

Robert Gordon University is an exciting blend of the traditional and the contemporary. Founded in 1729 the University has a history in education of over 250 years, yet in 2013 it was the **UK's most modern university** with the opening of its £170 million campus development.

ABOUT ABERDEEN

Aberdeen is Scotland's third most populous city with a diverse, multi-cultural and student friendly people. Our relatively small city is packed full of things to see and do.

You'll find lots of Cafes, bars, nightclubs, cinemas, restaurants, shops and malls nearby.

Or if you are an adrenaline fan and the outdoors is more your thing, surfing, Kayaking, mountain climbing, snowboarding and white water rafting are all within reach of the city.

Aberdeen is known as the "Energy Capital of Europe" and for that reason we have a very buoyant economy and very low unemployment meaning if you are interested in part-time work, there is plenty available for students.

APPLYING FROM A COMMUNITY COLLEGE

We look at all applications on a case by case basis but generally students with a completed diploma or associate degree are eligible for automatic advanced standing into the related RGU degree program. Please contact us for full details, but we will consider applications with GPA's from 3.0.

This can be completed in either one year for a bachelor degree or two years for an honours degree.

We also offer students who continue on to our one year master program a loyalty discount.

We have professionally focused courses in the following areas:

- Architecture, Construction and Surveying
- Art and Design
- Business, Management and Accounting
- Computing and IT
- Engineering / Oil and Gas
- Health Sciences and Professions
- Information, Communication and Media
- Laboratory, Biomedical and Sports Sciences
- Social Work and Social Sciences
