

## The Robert Gordon University Doctorate of Physiotherapy

The Doctorate of Physiotherapy Programme had its first cohort graduate in July 2023. Statistics for this programme are not available prior to this and therefore 2-year average rates for the criteria below will be available by the end of 2024. Previous programme statistics were attributed to the MSc Physiotherapy (pre-registration) programme which was accredited from 2000- 2019.
