

Saturday 25th November 2023 10:00-15:00

It's my great pleasure to offer you a very warm welcome to RGU and to our Open Day. We're delighted that you've joined us to learn more about your course of interest, and to get an insight into student life at RGU. Please do take the time to speak with staff and students from across the RGU community: they're here to answer your questions, and to help you make the most of your visit to our beautiful campus. I hope you have an informative and enjoyable day!

### **Professor Steve Olivier**

Principal and Vice-Chancellor

### **Contents:**

### **OPEN DAY COMPETITION**

# Win a pair of RGU Nike Air Force 1s

### It's time to step inside RGU!

To celebrate our Open Day this November, we're giving away a pair of customised Nike Air Force 1s to one lucky attendee.

To be in with the chance of winning, all you need to do is join us for our Open Day on 25 November and get social across our campus.

Head to the Science & Tech Zone marked on the map.

(please see pages 7-8

- Create some social media content you don't need to be in it yourself!
- Post your content on Instagram as a reel or carousel post.
- Tag us @robertgordonuni and hashtag #StepInsideRGU in your caption.

Please remember that if your account is private, then we won't be able to see your post.

The winner will be contacted via direct message the week commencing 27 November.

> Full T&Cs can be found here www.rgu.ac.uk/open-day-competition

# What's on

### Course talks and activities

(See pages 15 - 34 for details, timings and locations)

### Student services talks

| Time          | Event   | Location          |
|---------------|---|-------------------|
| 10:10 - 10:25 | Welcome Talk with our Director of<br>Admissions and Widening Access |                   |
| 12:30-12:50   | 12:30-12:50 Writing a Successful Personal Statement                 |                   |
| 13:00-13:20   | Placements, Study Abroad and Careers                                | Ian Wood Building |
| 13:30-13:50   | Accommodation and ResLife: Your Home<br>Away from Home              |                   |

### Info hub

Located along the Sir Ian Wood Building concourse, our Info Hub is your opportunity to gather all the information you need for everything over and above your course.

### **Campus tours**

Carried out by our very own students, these tours give you the opportunity to see our stunning riverside campus, including the Library and RGU SPORT. Campus Tours will depart from the Sir Ian Wood Building between 10:00 - 15:00. Early bird tours will be available from 9am for those who arrive early.

### Science and Tech Zone

We're passionate about all things science and technology so visit this area in the Sir Ian Wood Building Back Atrium, to try out some fun experiments and workshops. We guarantee you'll learn something new!

### **Student accommodation tours**

Fancy having a look around our RGU Accommodation? Woolmanhill Halls of Residence and Crathie Student Village will be open for viewing between 10:00 - 16:00. We are running a free return shuttle bus service from campus and onsite parking is available. Visit the Accommodation stand at the 'Info Hub' for more details.

#### **RGU:Union**

Visit RGU:Union's new home in the Georgina Scott Sutherland Centre in the Riverside Building. Here you can meet members of the Union as well as visit the gaming room with free pool, games consoles and arcade games. There is also plenty of space to socialise and learn more about how you can get involved.

### **City tours**

Our Student Ambassadors are offering short walking tours of Aberdeen city centre between 12:00 - 15:30. These tours will depart every 30 minutes from the car park of our Woolmanhill Halls of Residence, whatever the weather!

# What you need to know on the day

### **Getting here**

There are ample car parking spaces available on campus and except for spaces outside of RGU SPORT, parking restrictions are not enforced on

Alternatively, First Bus Aberdeen services 1&2 operate between the city centre and our campus on a regular basis.

### **Fire safety**

In the event of a fire alarm sounding, please proceed to the nearest fire exit and comply with any reasonable requests by RGU staff/fire stewards. If you discover a fire, please raise the alarm and call 999.

#### WiFi

'The Cloud' WiFi service is available across campus and offers free internet access for 3 hours total per day per device.

- 1. Select 'The Cloud' from the available
- 2. Open your internet browser The Cloud landing page will appear. If it is your first time using The Cloud WiFi network, follow the simple one-time registration process or log in.

### First aid

In case of an emergency, please visit any building reception or alert student ambassadors or member of staff.

### Follow us

Make sure you keep up to date with our news and get an inside look at student life by following us on:

- @robertgordonuni
- (a) @robertgordonuniversity
- ✗ @robertgordonuni
- ♂ @robertgordonuni

We encourage you to bring friends or family along with you to explore our campus during our Open Day, however please be aware that whilst participating in activities in spaces which are likely to reach capacity, we ask that you bring a maximum of one accompanying guest with you at that time so that we can accommodate as many prospective students as possible.

#### Tours

We are offering tours of our Woolmanhill Halls of Residence and Crathie Student Village, along with walking tours of Aberdeen city centre. To find out more, visit page 11.

- rgu.ac.uk/guides
- rgu.ac.uk/visit

# **Student** accommodation

You can view our city centre accommodation at Woolmanhill Halls of Residence and Crathie Student Village. An unoccupied flat will be open between 10:00 - 16:00 during our Open Day, and will give you the opportunity to see where our accommodation sites are located, as well as the inside of an example student flat.

Woolmanhill Flats, 134 John Street, Aberdeen, AB25 1LE Crathie Student Village, 515-519 Holburn Street, Aberdeen, AB10 7LG

### **Tours**

A shuttle bus will be running from our campus and both accommodation sites during our Open Day. You are welcome to hop on at the bus stop outside the Ishbel Gordon Building between 10:00 - 15:30. If you would prefer to travel yourself, both accommodation sites are on bus routes departing from campus and both have car parks for those who would prefer to drive themselves.

### Don't forget

Our Student Ambassadors are waiting at Woolmanhill Halls of Residence to take you on a short walking tour of the local area. These tours will be departing every 30 minutes between 12:00 - 15:30 from our Woolmanhill Halls of Residence car park.

# **School** introductions

### Aberdeen Business School

At Aberdeen Business School we strive to develop professional, innovative thinkers through business connected learning, award winning teaching and an entrepreneurial perspective. Our vision is to empower, inspire, create opportunity and equip you with the ability to drive change for tomorrow's society.

### School of Applied Social Studies

Our courses are designed to provide you with the skills required to add value to society, whatever career path you decide to take. Not only are we the largest provider of social work education in Scotland, we also offer courses in psychology, sociology and social sciences.

### School of Computing

We are shaping the skills sought by future industries in computer science, digital media, computer networks, cyber security and intelligent information systems. Our courses are innovative, practical and designed to meet current and future industry needs. We will equip you with business-sought skills required for a successful career.

### School of Creative and Cultural Business

At the School of Creative and Cultural Business we recognise creativity as an essential skill at all levels of organisations. We nurture creative thinking, cultivate teamwork and encourage entrepreneurialism so that you are ready to lead the creative economy of the future.

### School of Engineering

We are committed to producing industry ready, highly employable, next generation engineers across a range of disciplines. You will have the ability to solve problems and undertake challenging and complex projects, to help improve our way of life. The combination of our wide range of academic expertise, state-of-the-art facilities and strong industry links, provides you with a well-rounded, practical education.

### Gray's School of Art

An influential and multidisciplinary Art School, that has been leading and defining culture and creativity in Scotland and beyond, for nearly 140 years. We believe that artists and designers are proactively influencing the future, so we educate you to think critically, collaboratively and sustainably to take on challenges and develop new ideas.

### School of Health Sciences

We have a strong reputation for producing person-centred, capable and professional graduates. We provide dynamic and transformational student-centred learning, delivered by staff experienced in their professions, as well as teaching and research that makes an important contribution to improving the health and wellbeing of local, national and global communities. Early placements will support you to develop and apply skills. We are proud of the employment record of our graduates, and feedback from their employers confirms that our graduates are work-ready and equipped for the ongoing learning required to be successful in todays workplace.

#### The Law School

The Law School offers a range of professionally recognised law courses that are designed and developed in collaboration with the legal profession and employers, ensuring you are ready for a successful career upon graduation. We ensure that your future career is at the forefront of our courses by teaching professional and transferable skills, as well as core legal knowledge.

### School of Nursing, Midwifery and Paramedic Practice

As the main provider of nursing, midwifery and paramedic education in the North East of Scotland, we have an excellent reputation and commitment for educating skilled, compassionate and professional graduates. We have strong links with partners including the private sector, covering both hospital, community and remote settings.

### School of Pharmacy and Life Sciences

The School of Pharmacy & Life Sciences offers a progressive multidisciplinary portfolio of highly practical and professional courses to equip you with the knowledge and skills that are vital for a successful career. We use a range of teaching styles and learning environments to ensure students' experiences are up-to-date and relevant for modern graduates.

### The Scott Sutherland School of Architecture and Built Environment

Our courses continually evolve to ensure your learning is aligned with the future needs of professional practice and industry in terms of innovative design thinking and concepts, technology, processes and ethical considerations. All of our courses combine theory with practical application to ensure you have the skills to apply your knowledge appropriately and creatively within industry.
