

### **Applying for a Placement Rent Reduction (University accommodation)**

The University is willing to consider requests for a reduction in accommodation fees from students living in University residences who are due to carry out course-related placements outwith the Aberdeen area.

#### **Please be advised that the following conditions apply:**

- Nursing, Midwifery and Paramedic students are not eligible to apply for the placement rent reduction. Any Nursing, Midwifery or Paramedic student who has queries about funding/accommodation costs whilst on placement should contact the School of Nursing and Midwifery directly for advice and assistance.
- All applications for a placement rent reduction must be submitted by making an application through the Accommodation Services portal. This can be accessed [here](#).
- In addition to submitting an application through the Accommodation Services portal as outlined above, each applicant must also submit an official letter from their course tutor/placement supervisor confirming the dates and location of their placement. **Applications will not be processed until this has been received.**
- The placement rent reduction will only cover the official dates of the placement and will not be extended to any period outwith these dates.
- Reductions in accommodation fees will be granted as follows:
  - 50% reduction for first four weeks of placement period
  - 25% reduction for any subsequent weeks
- Rent reductions will take the form of a credit against future payments due. No refunds will be issued unless the resident's accommodation fees have already been paid in full.
