

LEARN TO SWIM PARENT/GUARDIAN CODE OF CONDUCT

Thank you for joining our Learn to Swim Programme and welcome to the RGU community! To get started, we would like to set out some key expectations of parents/guardians with dependants participating in the programme.

By enrolling someone in your care on to the programme, you are agreeing to:

1. Follow all guidelines within the following documents:
 - [Dignity at RGU Policy](#)
 - [RGU SPORT Terms and Conditions](#)
 - [RGU SPORT Admission Policy](#)
2. Work with us to make sure everyone is following the relevant policies and guidelines set out above while using the RGU SPORT facility and whilst on university grounds.
3. Ensure that participants arrive on time and equipped for each lesson. **All clothing and bags must remain in lockers provided during lesson time to allow full use of changing facility for other users.** Please note that lessons will start promptly each week, and unfortunately, if participants are more than 10 minutes late for their lesson, they will not be permitted to poolside.
4. Maintain a positive attitude towards the swimming progress of those you care for, in order to encourage them to be the best swimmer they can be.
5. Actively encourage all participants to have fun, whilst respecting others, to ensure everyone enjoys their lessons.
6. Be respectful and always use appropriate language to others when using the RGU SPORT facility. If you do have any feedback or questions, please get in touch with our Aquatics Coordinator (learntoswim@rgu.ac.uk) or with the staff at our reception desk and we will be more than happy to help you.
7. Agree to follow RGU SPORT terms and conditions in relation to taking photographs (Section 24. Photography, Music and Media Recording) and agree to refrain from posting photos of sessions on social media.

Thank you for agreeing to the code of conduct outlined above. Should breaches of this code of conduct occur, RGU SPORT will act in accordance with RGU SPORT Terms and Conditions.
