- Personal Statement
- Suitable reference from NIC

(please refer to all the relevant course pages for accurate information)

"RGU was a great opportunity for me to be able to further my education in an international environment. I have always wanted to be able to study abroad and the modern campus, along with the friendly and welcoming faculty was a motivating factor in my decision. My program has challenged my thinking, encouraged my opinions, and has provided a good foundation to go into the workplace. My only regret is that I wish I came to Aberdeen and RGU sooner."

Kaitlin Ostrander,
BA (Hons) Management
Canada

Stage of entry	Year 3

Please Note: Students entering year 2 of an undergraduate degree with RGU are entitled to apply for a paid working placement in their 3rd year of study (if their course of interest offers this option) this allows students to pay minimal fees for their 3rd year, and gain paid work experience before returning for their 4th and final year. This placement is closely monitored by the course tutor and advice on placements can be provided by our careers and placement team.

Students who enter 3rd year of an undergraduate degree with RGU will attend the academic (taught) 3rd year option, but they will have the option to leave at the end of the 3rd year with a general degree in just one year. Students who choose to complete the 3rd and 4th year will leave the university with an honours degree. Students intending to study only for the 3rd year should state this at the point of application. Students who enter 4th year of an undergraduate degree with RGU will also attend an academic taught year.

Please note that when accessing advanced entry into a course, professional body accreditations can be affected.
