14. Student Administration & Support

Introduction

This section contains information on how the institution manages the administration and progression of their students from admission to course completion, including student support services. In some instances, information will be exempt from disclosure where it contains personal information, or information which, if released, may substantially prejudice the commercial interests of any person, endanger the physical or mental health or the safety of an individual, substantially prejudice the effective conduct of public affairs, or constitute an actionable breach of confidence.
