Relocation Assistance

1. Purpose

- 1.1 The University recognises that relocation can represent a significant cost for new staff and with prior agreement from the hiring manager and the HR department, the University will provide financial assistance. It should be noted that any financial relocation assistance is given as reimbursement for expenditure and is not an allowance payable even if no expenditure is incurred. The HR Department will determine an employee's entitlement to relocation assistance and any queries on personal eligibility and eligible items should be directed to the Finance Department at expenditure@rgu.ac.uk.

2. Eligibility for Assistance

- 2.1 In order to qualify for relocation assistance, candidates must satisfy the following conditions:
- 2.1.1 If a candidate and their spouse/partner are both to be employed by the University, the relocation assistance may only be provided to one party
 - 2.1.2 Candidates must not be receiving financial assistance from any other source (e.g. from the employer of their spouse/partner)
 - 2.1.3 Candidates must be appointed to a permanent position or fixed term contract of at least 2 years duration
 - 2.1.4 Candidates should currently be living more than 50 miles away and relocate to within 30 miles of their workplace to qualify. The Finance Department will determine whether the new home is within 30 miles of the workplace
 - 2.1.5 It must be a written requirement of the candidate's appointment (detailed in the offer letter) that they relocate in order to effectively carry out their duties.

- 2.1.6 Candidates must undertake to relocate within 6 months of taking up their appointment. This may be extended to 12 months under exceptional circumstances and with the agreement of the line manager
- 2.1.7 Candidates who do not change their main residence within the timescale agreed will be required to repay the relocation assistance to the University. For information on what HM Revenue and Customs ('HMRC') consider to be a main residence, please visit the [Government website](#)

3. Maximum Amount Payable

- 3.1 The maximum amount payable is detailed below and in any particular case will depend on the amount of qualifying relocation expenses incurred by the employee.
 - 3.1.1 Employees paid within Senior Management pay bands and Professorial zones – 12% basic annual salary at time of appointment.
 - 3.1.2 Academic employees and Professional and Support employees – 7% of basic annual salary at time of appointment
 - 3.1.3 For part-time staff, the maximum amount will be pro-rated against the full-time equivalent.
 - 3.1.4 Any exceptions to the amounts payable must be agreed in advance by the Director of HR and Director of Finance
 - 3.1.5 The costs are charged against an agreed School or Department code and there is no central fund. This means the budget holder must know at an early stage of recruitment that they may have to meet relocation costs.

4. Expenses Eligible for Assistance

- 4.1 Employees may only claim expenses which fall within HMRC guidelines and are within the employee's maximum relocation allowance.
- 4.2 Expenses that qualify for tax relief are detailed below. General information can be found on the [Government website](#) or more detailed information using the links below:

 - 4.3.2 Any expenses which do not meet the HMRC guidelines (as outlined above) may not be eligible for payment under the relocation assistance scheme. If non qualifying expenses are paid, they are liable to tax and in some cases, national insurance contributions.
 - 4.3.3 Normally the same rules apply where the relocation is from overseas.
 - 4.3.4 In order to maintain exemption from tax and national insurance contributions on qualifying expenses up to £8,000, HMRC guidelines state that relocation expenses must be incurred and reimbursed before the end of the tax year following the one in which the employee started their job.

5. Making a Claim

5.1 All claims for relocation assistance should be made on Form RAD/RAR available from the HR website. Copies of these forms can be found in **Appendix B** of this document also.

5.2.1 In arrears, on production of a monthly itemised statement with receipts.

5.2.2 Partial Advance - once the employee is in post, they may request 50% of their maximum relocation allowance to be advanced.

5.3 The University reserves the right to reject the claim, unless all items are detailed on Form RAD/RAR and accompanied by proof of payment/valid receipt.

5.4 Advances

employee may continue to claim qualifying expenditure in arrears (on the RAR form) on production of a monthly itemised statement with receipts, up to the maximum entitlement.

5.4.1.3 Queries regarding items eligible for payment should be resolved by reviewing the links in Section 4 or directed to expenditure@rgu.ac.uk
