

## How to access RGU SPORT On Demand as a bolt-on to my membership

1. Head over to our online membership and booking portal at [MyRGUSPORT](#).

**RGU** *SPORT*

Welcome to RGU SPORT

Options

 Membership Prices	 Make Booking
 Login/Register	

2. Use “Login/Register” to login or register your account.

**RGU** *SPORT*

**Log in**

Log into your account below to continue. Please register below if you do not already have an account.

Enter your email address	Enter your password
<input type="checkbox"/> Remember Me	
<b>Log In</b>	
<a href="#">Forgot password?</a>	
<b>I am RGU Student/Staff (member/non-member) and I would like to sign up</b> <b>Select</b>	
<b>I am an existing RGU SPORT public member and I would like to create an online account</b> <b>Select</b>	

If you are RGU student or staff, whether you are an RGU SPORT member or not, you must use the top registration button.

Community members who are neither staff nor student should use either the “I am an existing RGU SPORT public member” or “I am a public non-member” buttons to register their account online.

Please note, MyRGUSPORT is a new and separate system from our previous online booking site and existing members who have booked online with our old site will still need to register an account on MyRGUSPORT.

- After registering and signing in you will be able to access your personal MyRGUSPORT home. Use “Membership Prices” to see the memberships available.

## CREATE A NEW MYWELLNESS ACCOUNT

In mywellness.com we use Technogym mywellness cloud to manage your wellness lifestyle.

Becoming healthier and more active is now easier than ever. mywellness enables you to access your lifestyle and fitness data, training programmes and much more on the go, anywhere in the world.

What can mywellness do for you?

- Login to connected Technogym equipment, access your personalised content and applications and have your exercises automatically start based on your programme.
- Manage your training programme directly on the web or from your mobile phone.
- Record your body measurements and keep track of your health status.
- Connect mywellness with popular fitness and nutritional tracking apps and devices like Polar, Garmin, Apple Health, RunKeeper, Strava, Mapmyfitness and many more.
- Collect and share all of your indoor training, outdoor sports and movement data with your trainer to get a truly personalized programme.

To access this amazing experience you just need to create your personal mywellness account and share your data with mywellness.com.

14. Insert the information required, under the personal data section. Please note you must include your weight (for accuracy of results when using some functionalities of the app), however height is optional.
