SHORT COURSE PROVISION MATERIALS LIST

FOUNDATION
PHOTOGRAPHY

Please find below a list of recommended materials for your Short Course. These will be discussed at the beginning of your course during the induction.

Please purchase these items after discussion with your lecturer in the first week. Advice on Films, Photographic Papers and Cameras will be given.

Please bring a basic sketchbook to classes in order to record ideas and processing procedures. The following materials are required for your course:

- | | |
|-------------------------|---|
| 35mm SLR
Film Camera | <ul style="list-style-type: none">• The 35mm film camera should be easy to set manually and ideally has a built in light meter. These cameras are readily available to buy second-hand from a variety of online sources from around £50 upwards, depending on the make and model (make sure that a lens is included). If you do not already have a camera, then you may prefer to consult with your tutor at the start of the course before making a purchase. Non zoom lenses give better results than zoom lenses, zoom lenses are not so sharp, especially older ones (unless very expensive). Wide angle lenses such as 28mm might offer more scope for creativity. A standard lens is 50mm and wide angle lenses are typically 24mm and 28mm. 50mm and 28mm lenses are usually not too expensive and give great results. |
| Photographic
Paper | <ul style="list-style-type: none">• 1 box of ILFORD MULTIGRADE IV, MG1VRC, RESIN COATED GLOSS. 50 to 100 sheets (depending on size) <p>Do not open the box unless under darkroom lighting conditions.</p> |
| Film | <ul style="list-style-type: none">• Approx. 8 Black & White films. |
| Sketchbook | <ul style="list-style-type: none">• Sketchbook A5 or A4 (ring bound). |
| Stationery | <ul style="list-style-type: none">• Negative storage sheets. |

Please note: any course materials provided are for small scale test and development work only. Any student wishing to develop large or extensive work must seek prior approval from the course tutor and appropriate technician. This will incur an additional cost for materials.
